Thank you for your patience as we introduce new forms that will fit new federal requirements.

Your grant monitor will be assisting you throughout the year to assure a successful project. The State of California is implementing a new Financial Information System which may cause delays in grant payments. Please contact your grant monitor if you have questions.

Best wishes for a successful project.

REPORTING

Financial and program narrative reports are required. All required reporting materials will be located on the California State Library's website at http://www.library.ca.gov/grants/lsta/manage.html. The forms, along with instructions, will be on the website under the heading "Pitch-An-Idea Grants 2015-2016." The Grant Guide for this project will list specific reporting due dates. This letter and the enclosed list of LSTA procedural requirements amend the Consolidated Application/Grant Award Certification document and must remain a part of all your existing copies. Failure to provide timely reports is a serious breach of a grant recipient's administrative duty under the grant program, which may result in federal audit exceptions against the state and the loss of LSTA funds.

Please note this clarification regarding payments. If your full grant amount is $20,000 or more, ten percent (10%) of the grant award is withheld until the end of the project period.
