PROCLAMATION  
OF  
STATE OF EMERGENCY

I, EDMUND C. BROWN JR., Governor of the State of California, find that conditions of extreme peril to the safety of persons and property exist within the counties of

SAN MATEO

SANTA CRUZ

beginning on or about May 1, 1979. I further find that these emergency conditions are as a result of a sudden and serious gasoline shortage at retail outlets and other consumer gasoline purchasing problems causing extreme traffic hazards and injury to persons and property and which, by reason of their magnitude, are beyond the control of the services, personnel, equipment and facilities of said counties. Having been advised by the Chairpersons of the Boards of Supervisor of said counties that they have declared a state of local emergency, I, therefore, proclaim the existence of a state of emergency in the aforementioned counties.

I hereby incorporate, by reference, the regulations pertaining to the California gasoline emergency filed with the Secretary of State on the 9th day of May, 1979, and all subsequent amendments thereto and issue these regulations pursuant to Section 8567 of the California Government Code. These regulations shall apply to the areas and counties in which a state of emergency exists.

I direct this program shall begin at 0001 hours May 10, 1979, in the aforementioned counties.

I direct that as soon hereafter as possible this proclamation be filed in the Office of the Secretary of State and that widespread publicity and notice be given to this proclamation.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of California to be affixed this 7th day of May 1979.
