

City of Commerce Public Library
**Project and Collaborative Education
(PACE)**

Hey Kids!
Have a big school project to do?

**Our Project and Collaborative Education
(PACE) program is here to help!**

Check out materials and tools you might need for your project to use at the library or at home. Laminate your project materials, get a tri-fold poster board, use our Cricut® paper cutting machine, or borrow from our collection of necessary supplies to make your project shine!

This PACE program is supported in whole or in part by the U.S. Institute of Museum and Library Services under the provisions of the Library Services and Technology Act, administered in California by the State Librarian.

**Visit us at any Commerce Library or
call us at 323-722-6660 for more information.**
