

California Public Libraries

This directory lists main and branch libraries providing direct library service. Use the Public Library Headquarters file (<http://www.library.ca.gov/lids/docs/CaliforniaPublicLibraryHeadquartersDirectory.pdf>) for more extensive administrative information. Listings are alphabetical by the jurisdiction (county, city, library district name). Central or main outlets are listed first if the jurisdiction has one. Use the Acrobat search function to find a city, county, district or library name. Listings may span more than one page, be sure to check following pages for complete listings. Always check with library for current schedule as each outlet may have different hours.
