

This application is only for libraries already participating in the State Library's COHS Program. The deadlines for additional scholarship requests in 2020 are March 10, June 10, September 10, and December 10. Libraries will be notified within one week of the deadline.

PLEASE BE AWARE that in SurveyMonkey you must fill out the entire survey in one session. Use this sample for preparing your answers.

1. Library name/jurisdiction:

2. How many additional scholarships is your library requesting from the California State Library (minimum of 3)?

3. Does your library intend to request a reduction in the matching scholarships requirement?

6. Total number of scholarships: number requested from CSL (paid for by state) plus number that your library will be able to support (paid for by local match).

If you are not requesting a reduction in the match, your answer will be two times the number in question 2. If you are requesting a reduction in the match, your answer will be the sum of question 2 and question 5.
