

Library Services and Technology Act (LSTA) 2012/2013 Projects

The Library Services and Technology Act (LSTA) is the only Federal program solely devoted to supporting library services in libraries of all types. Congress and the President authorize its existence and allocate funds annually for its operation. Within the two broad goals of technological improvements and services to people of diverse cultures and situations, local libraries can identify and support the highest priorities for each community.

The Act is administered by the Institute of Museum and Library Services (<http://www.ims.gov>) in Washington D.C. The Institute makes awards to libraries for the development of library services and to individual Indian tribes and their libraries for special purposes.

This list identifies LSTA grant awards in California for FY 2012/2013. It is arranged by Congressional District because Federal funds support these grants. If you are unsure of which District your library is in, use this Web site <http://www.house.gov/> to enter a Zip code and identify the corresponding District.

Congressional District 1

Projects Funded	Community	Amount
<p>Bringing Reference to Life In partnership with the Osher Lifelong Learning Institute at California State University, Chico, the library and other community organizations will collaborate to schedule a speakers' series with local subject experts in high interest subject areas as identified by the community.</p>	Butte County Library	\$13,900
<p>Early Learning: Play & Learn Islands This project helps to incorporate purposeful play for young children into library settings by providing 18 participating libraries with a Play & Learn Island (an award-winning interactive discovery space specifically designed for child and family interaction and play) along with professional development training for library staff on the importance of play in early childhood development.</p>	Shasta Public Libraries	\$15,000
<p>Eureka! Leadership Grant This program supports the development of participants of the California Eureka! Leadership Institute to implement a library project that benefits the growth of their library and community.</p>	Nevada County Library Placer County Library	\$4,108 \$5,000
<p>Family Success Through Literacy This program for incarcerated fathers improves literacy, parenting skills, and increases their knowledge of how to foster literacy in their children.</p>	Willows Public Library	\$23,049
<p>Project Storyhour Boxes In partnership with El Dorado County Library, the library will create age and skill appropriate Storyhour Kits to circulate to pre-school child care centers, day care providers and families in Tehama County. Training for childcare providers on effective and appropriate use of these Storyhour kits will be provided by trained library staff. In addition, parenting and childcare collections will be enhanced at each library branch to support these new materials.</p>	Tehama County Library	\$16,000
<p>Tablets, eReaders, and Emerging Technologies for Public and Staff Training This project helps library staff and the community better understand tablets and eReaders and introduces an emerging technology through a 3-D printing machine.</p>	Nevada County Library	\$25,500
<p>The Placer Plan This project engages the public in the transition from planning of the county-wide strategic plan to implementation by presenting it to the County Board of Supervisors, library friends' groups, library staff, and community members.</p>	Placer County Library	\$5,000
