SUBJECT: Certification of Population Figures for 2016-17

Section 18021 of the California Education Code specifies that the State Librarian must determine and certify on June 1st of each fiscal year the population served by each public library of the state based upon census data compiled by the United States Department of Commerce or estimates prepared by the California Department of Finance, whichever is more current. For such purposes, no person shall be deemed to be served by more than one public library. The figures certified are for January 1, 2016 based on the most recently published (May 2016) State of California, Department of Finance, Demographic Research Unit, City/County Population Estimates, with Annual Percent Change, January 1, 2015 and 2016.
