Welcome to the online application for the California Harwood Public Innovators Lab for Public Libraries! The Lab will be held Monday, May 23, 2016-Wednesday May 25, 2016, at the Holiday Inn Capitol Plaza in Sacramento, California.

For this application, libraries will apply by jurisdiction. Successful applicants will designate from 2 to 5 staff members or partners to attend the lab, expenses paid by the State Library. These staff members/partners will also each receive a travel allowance of \$500 to defray the costs of travel related to this meeting. In return, we ask applicants to commit ongoing resources towards implementing the Harwood practice at their libraries. Libraries will be expected to create an action plan for "turning outward" to their communities and participate in a series of webinars and coaching calls following the event.

Apply online by Friday, March 18, 2016, 5 PM. PLEASE BE AWARE that in SurveyMonkey you must fill out the entire application in one session. We strongly suggest that you refer to the print version of this application (available at <http://www.library.ca.gov/services/libraries/HarwoodPublicInnovatorsLab.html>), and develop your answers before completing and submitting your application online.

Applicants will be notified by no later than Friday, March 25, 2016.

This project is supported by the U.S. Institute of Museum and Library Services under the provisions of the Library Services and Technology act, administered in California by the State Librarian.
