

Maximizing Learning Spaces Project Designer and Furniture Resource Kit

August 10, 2020

Project Scope

- 20 libraries identified underutilized spaces needing redesigns, then determined their community and library needs and the opportunities for their spaces
- 9 of these libraries hired interior designers to assess their spaces, understand the needs and opportunities, and develop a space plan, visual renderings, and lists of furniture , to maximize the potential of their spaces for reading, learning and access to information
- 11 of these libraries ordered movable furnishings and transformed their spaces to realize designs they had previously developed
- The libraries discussed their projects and presented their results at showcase meetings

2019/20 Participating Libraries

- Contra Costa County Library (Design)
- Corona Public Library (Design)
- El Segundo Public Library (Design)
- Huntington Beach Public Library (Design)
- Mendocino County Library (Design)
- Monterey County Free Libraries (Design)
- San Diego Public Library (Design)
- San José Public Library (Design)
- Santa Clarita Public Library (Design)
- El Dorado County Library (Furnishings)
- Kern County Library (Furnishings)
- Lincoln Public Library (Furnishings)
- Mission Viejo Library (Furnishings)
- Mono County Library System (Furnishings)
- Nevada County Community Library (Furnishings)
- Oceanside Library (Furnishings)
