

Lunch at the Library Final Narrative Report

Summer 2024

This report is designed as a method for you to update us on the success of your Lunch at the Library program. Your responses to the questions in the report should be simple and concise. This report is due on the date listed in the grant agreement you received as part of the grant award packet.

Once approved, reports will be sent to your Authorized Representative for signature via DocuSign.

Core Program

Core Program Abstract

Enter a brief narrative description of your Core Program. What was accomplished? Consider what did you do, for whom, and for what benefit. The ideal length is 90-160 words.

Farm to Summer Abstract

Enter a brief narrative description of your Farm to Summer component. What was accomplished? Consider what did you do, for whom, and for what benefit. The ideal length is 90-160 words.

Core Program Outcomes

How did your library gather the required outcome surveys? (Lunch at the Library Outcomes Survey and Youth Development Outcomes Survey) Did your library record other Core Program outcomes? (Optional) Describe one or two of the most significant lessons learned for your future planning.

Innovation (If Applicable)

Innovation Abstract

Enter a brief narrative description of your project. What was accomplished? Consider what did you do, for whom, and for what benefit. The ideal length is 90-220 words.

Innovation Project Outcomes

Describe your outcomes. How did you measure the success of your Innovation project? The ideal length is 90-160 words.

Describe one or two of the most significant lessons learned for others who may want to adopt facets of your Innovation project. The ideal length is 90-160 words.

Success Stories

(Optional) Are there any stories not previously provided that we should share with stakeholders? Please include stories from any aspect of your Lunch at the Library program.
