Have a school project due?

Don't stress, Commerce Library's Project and Collaborative Education (PACE) program is here to help!

You can check out materials you might need, reserve a table or one of our study rooms to work on your project, or use some of our awesome resources to take your project to the next level.

While in the library you can:

- **Create a PowerPoint presentation on one of our laptops**
- **Use a Chromebook for research**
- **Laminate your project materials**
- **Plus much more!**

You'll also be able to check out and take home supplies you may need to build a great display or project!

For students of all ages.

Visit us at www.cocpl.org or call us at 323-722-6660 for more information.
