

Career Online High School Interest Form

If your library does not currently offer Career Online High School (COHS) and would like to offer this program at your library, please indicate your interest in becoming a COHS library using this interest form.

Please note: Libraries interested in offering the COHS program are no longer required to provide a local financial commitment to purchase scholarships.

If you're an adult 19 years or older interested in COHS, you may apply here: <https://ca.careeronlinehs.org/>. Questions? Please email COHS@library.ca.gov.

Please read the COHS FAQ document available on the State Library's COHS program website (<https://www.library.ca.gov/services/to-libraries/career-online-high-school/resources/>) before completing this interest form. The COHS FAQ document contains information that may be helpful in developing your answers.
